Workshop 1				
Workshop 2				

* *The respective school teachers should decide on whether their participating students would stay or not and would hold responsibility for their safety. Some of the competition / workshop venues are on school premises. When the school concerned are closed due to tropical cyclone, the competition to be held at such venues may be cancelled. Please refer to the competition website for relevant updates.*

** *If the Education Bureau announces school suspension the competition / workshop will be cancelled and a new date for this round will be re-scheduled. The new dates will be announced on the competition website in due course.*
